Title	: COMPOSITIONS FOR PREVENTION OF CHEMICALLY INDUCED IRRITATION OR DISCOLORATION	Examiner: Herbert J. Lilling

CONFIRMATION OF TELEPHONE CONFERENCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This correspondence serves to summarize the telephone conference of March 13, 2007, among Herbert Lilling, Examining Attorney, and Peter B. Scull and K Kalan, attorneys for Applicant. On February 2, 2007, the Examining Attorney issued a Supplemental Office Action setting a three-month shortened statutory period of response. That Supplemental Office Action supplemented a non-final Office Action issued on December 14, 2006. During the telephone conference, it was confirmed that the Supplemental Office Action superseded the response period of the non-final Office Action, and that the response period had been re-started. Thus, the shortened statutory period response deadline for both the non-final Office Action of December 14, 2006, and the Supplemental Office Action of February 2, 2007 will be May 2, 2007, i.e. three months after the February 2, 2007 issue date of the Supplemental Office Action. Applicant respectfully requests that this Confirmation be included in the file for the subject Application.

Date: March 14, 2007

Respectfully submitted,

/peterbscull/
